LinkedIn: <https://www.linkedin.com/in/alisoleimani71/> • Portfolio: <https://alisoleimani71.github.io/>

Date of Birth: 7th February 1993 • Place of Birth: Takestan, Iran

PROFESSIONAL SUMMARY

Project Management, Supply Chain and Procurement professional with 10+ years of experience supporting large-scale EPC and industrial manufacturing projects. Experienced in cross-functional project coordination, procurement strategy, KPI reporting, supplier performance management and process improvement. Managed procurement portfolios exceeding €10 million across eight national-scale projects while collaborating with engineering, manufacturing, logistics and executive leadership. Currently pursuing an M.A. in International Management with a specialization in Project Management.

Core Competencies

Project Management Office (PMO) • Project Coordination • Supply Chain Management • Supply Chain Strategy • Strategic Procurement • KPI & Project Reporting • Performance Analysis • Cross-functional Collaboration • Stakeholder Management • Process Improvement

PROFESSIONAL EXPERIENCE

Commercial Consultant (Remote)

Petro Sanat Lidoma Engineering Services (PSL) | Engineering & Procurement Company specializing in Industrial Automation and Control Systems | Cologne, Germany | March 2026 – Present

- Advise executive management on procurement strategy, supplier performance, project coordination and operational reporting for EPC and industrial manufacturing projects.
- Lead supplier qualification, commercial negotiations and sourcing activities for industrial automation, electrical equipment and control systems.

Procurement Manager & Executive Coordinator

Petro Sanat Lidoma Engineering Services (PSL) | Tehran, Iran | December 2017 – February 2026

Held both positions concurrently, combining procurement leadership with executive-level operational coordination across the company's EPC project portfolio.

- Coordinated multidisciplinary teams across engineering, procurement, manufacturing, logistics and finance while tracking project deliverables, procurement milestones and operational KPIs.
- Prepared KPI reports, supplier performance analyses, executive presentations and project documentation, supporting strategic decision-making and project visibility.
- Directed procurement strategy and commercial operations across eight national-scale EPC and industrial manufacturing projects, managing procurement portfolios exceeding €10 million.
- Standardized procurement workflows, documentation and reporting processes, improving operational efficiency and project transparency.
- Supported executive leadership through project tracking, supplier performance monitoring and operational risk assessment to ensure informed decision-making.

Procurement Specialist

Petro Sanat Lidoma Engineering Services (PSL) | Tehran, Iran | June 2016 – November 2017

- Conducted technical and commercial bid evaluations for capital equipment and engineering services in Oil & Gas and Petrochemical projects.
- Prepared meeting minutes, procurement documentation and executive reports to support project governance.
- Supported procurement activities for industrial electrical control panels, instrumentation systems and process packages.
- Negotiated pricing, delivery schedules, payment terms and INCOTERMS with international suppliers across Europe and Asia.

Research Assistant

Iran University of Science and Technology (IUST) | Tehran, Iran | Jan 2016 – May 2016

- Conducted research on viscosity reduction of heavy crude oil, resulting in a peer-reviewed publication in the Iranian Journal of Chemistry and Chemical Engineering. Delivered MS Excel training for undergraduate engineering students.

Process Engineering Intern

Energy Industries Engineering & Design (EIED – part of OIEC Group) | Tehran, Iran | June 2015 – August 2015

- Conducted technical and economic analyses of Oil & Gas process plants during the FEED phase; assisted with process simulations and data validation.

EDUCATION

Master of Arts in International Management - Chosen Specialty: Project Management

Hochschule Fresenius | Cologne, Germany | March 2026 – Expected Graduation: February 2028 | GPA: 1.2, nominated to join Fresenius Talent Network (LFTN) Program based on academic performance and leadership potential

Master of Science in Chemical Engineering

Iran University of Science and Technology (IUST) | Tehran, Iran | September 2015 – March 2018

Bachelor of Science in Chemical Engineering

Iran University of Science and Technology (IUST) | Tehran, Iran | September 2011 – September 2015

SKILLS

Project & PMO: Project Coordination, Project Documentation, Scheduling, Risk Management, Stakeholder Management, KPI Reporting, Cross-functional Collaboration, Process Improvement, Data Analysis & Reporting

Supply Chain: Supply Chain Operations, Procurement Planning, Strategic Sourcing, Supplier Performance, Supplier Evaluation, Commercial Negotiation, Logistics Coordination

Digital & Software: Advanced Microsoft Excel, Microsoft PowerPoint, Microsoft Project (Scheduling, Gantt Charts), Microsoft Visio, Microsoft Outlook

LANGUAGES

Persian (Native) • English (C1 – TOEFL iBT 101/120) • German (A2, currently improving) • Turkish (A2)

CERTIFICATES & TRAINING

- Procurement & Import of Goods – Tehran Chamber of Commerce, 2019
- EPC Contracts, Taxation & Social Security – Iran MPORG, 2024
- TOEFL iBT – Score 101/120, 2023
- Stepping into Leadership Workshop, 2026
- VMware Certified Professional – Data Center Virtualization (VCP-DCV 8), 2025
- Microsoft Certified Systems Administrator (MCSA), 2025
- AI Study Buddy – Research in Academic Writing, 2026

PUBLICATIONS

Soleimani, A., Sobati, M. A., & Movahedirad, S. (2021). *An investigation on the viscosity reduction of Iranian heavy crude oil through dilution method*. *Iranian Journal of Chemistry and Chemical Engineering*, 40(3), 934–944.

ENGAGEMENTS & VOLUNTEERING

International Student Mentor

Hochschule Fresenius | Cologne, Germany | August 2026 – Present

- Support newly enrolled international students by providing guidance on university procedures, administrative processes and integration into academic life in Germany.

Course Representative

Hochschule Fresenius | Cologne, Germany | April 2026 – Present

- Coordinate communication between students, faculty and administration while facilitating issue resolution, coordinating meetings and supporting academic initiatives.

Volunteer Member

Iranian Red Crescent Society | Since 2008

PERSONAL INTERESTS

Personal Development • Language Learning • International Cultures • Volleyball • Hiking • History & Geography
